From The Principal’s Desk

Last Thursday night we held our annual celebration for Mother’s Day. Thanks to Jimmy for organising the night and to all mum’s who came out to share a fun night of games with their children here at school. We hope you all enjoyed a relaxing day on Sunday with your families.

Today we are ¾’s of the way through NAPLAN testing, with the final test on Numeracy being conducted tomorrow morning. During the test students have behaved themselves beautifully and demonstrated enthusiasm around doing their best and creating an environment where everyone could concentrate well. Parents will be notified later in the year when results of the tests become available.

As you will all know, we have put in a concerted effort this year, to improve student behaviour and wellbeing at Coldstream Primary School. Last night, staff met to consider behavioural data we have been collecting since early March and found that the amount of incidents happening at school have reduced significantly moving into second term. We are currently looking at students who are repeatedly having incidents recorded against their name and developing Behavioural Plans for these students in an effort to offer them greater support and teaching around positive behaviours. If your child is requiring a plan, we will contact you in the near future so you are able to have input to the plan.

To assist us in dealing with negative behaviours, we often need to spend some time talking with students to work through situations. As we are reluctant to remove them from class to do so, we’ve decided that if we are not able to deal with the situation during recess or lunch due to yard duty etc., we will give parents a call to see if it is convenient for us to speak with children between 3.15 and 3.30. This will enable us to deal with issues when it is most relevant to the child. Thank you for your cooperation in this matter.

Kind regards, Lisa

School Captain’s Report

Hi we’re your school captains, Bethany and Shelby,

First of all we would like to thank Sue Rogers, Mandy Lowe and Tina Garlick for their outstanding efforts with Pancake Lunch in which we raised around $250 for our grade six graduation.

We’d also like to remind you about some upcoming events like the hot dog lunch which is on the 12th of May, interschool sports on Friday 13th for the senior school and make sure you bring an orange because it’s a home game. Also radio show is on the 20th of May on 99.1 Yarra Valley FM.

On Friday the 6th we had the Upper Yarra Table Tennis finals with Natasha taking out first place, Paige, third in the girls section and Cooper taking out third in the boys’ section. Well done to everyone for a great effort!

Goodbye

Wet Weather!
As today has proven wet weather, mud and puddles cause an issue when kids slip over.
Please, regardless of your child’s year level, put another set of clothes in their bag for those unforeseen accidents.
We have many jumpers in sick bay but very few pants and no underwear, so for your students comfort please have a change of clothes on hand.
Thank you
