**From The Principal’s Desk**

Term 2 certainly has flown, even though it has been an 11 week term, it feels like only a few weeks since we returned from Easter holidays. I’m sure that has nothing to do with getting old and everything to do with being busy!

When I reflect on my six months here at Coldstream, I can’t help but feel very fortunate to not only have had this wonderful experience but also to have met so many great people, all of whom have made me feel very welcome and always appreciated. I really believe that this school and of course our children have enormous potential and the ability to achieve great things. The children, (with all of their wild energy), also have a warm and caring way of dealing with people, they are inquisitive and have a much appreciated sense of fun. I know this community and the school staff will continue to work together to deliver everything to these children that they deserve and hope that I can continue to be part of this community myself.

I thank you all for your kindness and openness, it has helped me to leave school each day with a smile and do the work I am so passionate about.

Kindest regards,
Lisa Branch

**School Captain’s Report**

Welcome back for the last week of term 2. This week we had no assembly on Monday and instead it’s on Friday. Thursday we have sausage sizzle and 5/6M are on duty for cake stall. On Friday we have away interschool sports at Wandin Yallock PS.

We’ve had a great second term starting with a Primary School ANZAC day service for grade 6. 4-6 have had fun playing football, volley stars and netball inter school sports against other schools in the Yarra Valley. The whole school had an awesome water incursion by Yarra Valley Water. 4-6 have had 4 weeks of archery at the Launching Place Archery Park. (Results will be in the next newsletter) 3-6 had Hooptime at Kilsyth Basketball Stadium. The whole school came down to Coldstream’s new skate park for the official opening, with a DJ and sausage sizzle. We would like to say thanks to all the parents and staff who have supported us to make these activities possible. We hope you have a safe and great holiday from your school captains

*Nate and Cooper.*

Parent Club News
Thank you to the Batty Family for their most generous donation of a new BBQ to our school. It will be used for the first time this Thursday at Sausage Sizzle when we are asking 5/6M for donations to the cake stall.

2016 Chocolate Drive – Chocolates were sent home yesterday for you to sell over the holidays. We ask all money or any unsold chocolates be returned by Monday 18th July. The money raised will be put toward purchasing new SRA Literacy systems to boost our children’s comprehension and literacy skills throughout the school.

5 Cent Challenge – is going strong and will continue to the end of term 3.

Shopping Tour – is on Sunday 16th October so keep the date free and come along for a really fun day. Notes will come home shortly.

Thank you once again for your support in raising $7,607.35 as at the end of May 2016.

OOSH Happenings
Sadly we say good bye to Leah this Friday as she has been offered full time work at a school she currently employed in. Leah, although only being part of our service for a short time has been an asset and will be sorely missed. We wish her luck with all her future endeavours.

As we now have a school wide Breakfast Program running the OOSH breaky club will no longer be available from term 3 onwards. If children arrive at 8.30 they will be signed in to the OOSH Service and normal charges for Before School Care will apply.

Please remember to finalise your OOSH account before the end of term as no future bookings can be accepted until your account is settled.

Have a wonderful break and we will see you in term 3, The OOSH Team

Enrolments are being taken now for Prep 2017
Hi it’s Cooper from 5/6M. On the Queen’s Birthday long weekend I played in the National Junior Championships Representative Basketball tournament at Dandenong Basketball Stadium. This tournament is invitation only to the top 16 basketball teams in all of Australia. On Saturday my U/12:1’s Kilsyth Cobras team played Warrnambool winning by 30 points. Saturday late afternoon we played South Adelaide another win by 49 points. Early Sunday morning we played Werribee winning by 50 points. Sunday afternoon we played the quarter final against Keilor, which we won by 24 points. On Sunday night we played Hawthorn winning by 41 points, putting my team into the Grand Final playing off for the Gold or Silver medal on Monday morning. When the final siren sounded on the Monday morning Kilsyth COBRAS U/12:1’s team had beaten Knox Raiders by 13 points. Winning this tournament & the Gold medal also label’s my team No.1 U/12 boys’ team in Australia.

On the 16th of June the 4s, 5s and 6s went to Yarra Glen PS to play interschool sports. I played volley stars. It was a tie 1-1. They won the first one and we won the second one. It was a fair game. I scored at least 10 points.  

Ryan K

We went to the Yarra Centre in Yarra Junction for table tennis. I made it to the finals but didn’t win. Natasha won the finals. We were all happy for her. Table tennis was fun I hope we do it again next year! *Josie*

SETH FRANCO
On the 8th of June an awesome dude named Seth Franco came to our school. He did a couple of basketball tricks and played a few games with us. He talked to us about following our dreams and stuff like that. By the end a learned a lot and was really happy that he came to our school. *Levi*

On the 8th of June a guy called Seth Franco came to our school. He is on a team called the Harlem Globetrotters. If you want to watch him play turn it on the tv and look for the number 16. He taught us a few tricks and he was pretty funny too. Then he said he thinks of life like a basketball. He said when you are feeling down you’ll always bounce back up. He told us when he was 19 he had hip dysplasia and couldn’t walk. He had to learn how to walk again. It was really great listening to him. *Ryan*
WATER INCURSION
On June the 8th we had an water incursion. It was interesting and fun. I learnt a lot about water. The main thing I learned was that if you have a 5-minute shower it still wastes a lot of water. I loved learning about water and how important it is! *Jessica*

On Wednesday the 8th of June we had a water incursion. The speaker’s name was Will. He was funny. Darcy was called the Earth. I think we all had fun! *Teagan*

We had an incursion about water. It was funny when he needed a helper. He also talked about how the Earth started. *Laura*

**Movie work**

For all of term 2, the grade 5 and 6s from Mrs Morrow’s class have been split into 5 different groups to make movies for a Rotaract Yarra Ranges Primary School Film festival, with all of the grade 5’s in 1 group. The theme was forgotten which all of the movies revolved around. All of the movies were reviewed by 4/5B and 5/6M and voted on, in hope of one of the groups going to the next round against other schools and their movies. Congratulations to the group who won, it consists of; Paige, Charlee, Bethany, Shayla and Noah, they will go through to the next round. Finally we would like to thank the Rotary Club for offering this great opportunity, and we hope that it is offered in the years to come.

*Bailey and Cooper*
On the second of June Beth, Charlee, Cooper, Nate, Shelby, and Levi went to Yarra Hills for a Bully Stoppers forum. We listened to a man called Mr Voigt he’s a principal of a school in Queensland, he talked about a girl whose mum died in a terrorist attack. She was very brave since her mum died. He played 2 truths and 1 lie with the statements “he threw a javelin at his sisters foot, and she got 8 stitches” “he bungee jumped off a mountain” “he played a cricket game with Shane Warn.” I thought the lie was the bungee jump but it was the cricket game. We went to our tables and we listened to Lisa Brooks talk about cyber bulling. Then we had a DANCE PARTY. Charlee

On the 20th of April the grade 6s had an ANZAC Day school service with nine other schools in the Lilydale area. Since I’m a school captain I got to help run the service, so I had to be at school early so we could set up. When the schools arrived, we collected the wreaths and took our seats while Denis introduced our VIP guests. My first line was to tell everyone what ANZAC meant, (I don’t know how but in the end I had the most to say out of the four school captains.) The other nine schools read some poems, shared a timeline, told us about some notable service personnel and they talked about the importance of animals during wartime. Cooper and I also had the honour of laying a wreath because one of the dignitaries wasn’t able to attend. Nearing the end we had the blessing, the Ode and sang Advance Australia Fair. After leaving the Performing Arts Centre we got to talk to the dignitaries and have a sausage. I really enjoyed being there! Shelby

On the 20th of April the grade 6s from lots of different schools went to an ANZAC day memorial. The school captains (which was goober, Shelby, Nate and I) got to run the service. On the way I was really nervous but after we got started I was fine. First people came up to lay their wreaths. I saw Tony Smith and Christine Fyfe at the service laying wreaths. From our school Charlee and Paige got to lay our wreath. After everyone had laid their wreaths school representatives came up and spoke. They spoke about Simpson and his donkey, animals in war, poppies and rosemary and the history of the ANZAC troops. I had a really fun time. On the way home we stopped off and got to lay the wreaths at the Lilydale Cenotaph. Bethany
HOOPTIME
On Friday the 10th of June the 3/4s participated in Hooptime. Hooptime was at Kilsyth. We lost every game and played five. It was a lot of fun. **Jack**

On Friday the 3/4s had Hooptime. It was really fun! I was on the rookies team. We won all of our games. I was on a team with three of my friends. **Sarah**

On Friday the 10th of June we had Hooptime. I was on a rookies team with Josie, Laura, Jai, Chase and Dakota. Our team lost most of the games but we had a lot of fun! Hooptime was a great day! **Anais**

On the 10th of June I played in a basketball tournament called Hooptime. We had a great day. We won all of our games. We were on the rookies. **Hayley**
