From The Principal’s Desk

Last Friday was our first trial for the Breakfast Club. The day proved to be a hit with the kids but a bit overwhelming on the organisational front. As such we have adjusted the program so that the senior students will have Breakfast Club on Mondays and the junior students will on Fridays.

Congratulations to all students who competed at the Cross County. It was great to hear about those who put in their best effort and also to see the support of our parents.

Last night parents were invited to an information night with Leading Senior Constable Lisa Brooks from the Lilydale Police. Lisa spoke about raising children in society today and the challenges that brings in a school, home and social setting. It was great to have a good turnout of parents on the night (despite the cold conditions). This was indicative of the willingness of our community and school to work together which is of course very encouraging.

On June 14th we have our first Curriculum Day for the year. Staff will be undergoing some training on dealing with Mental Illness on this day and preparing for delivery of reports.

REPORTS

This year we have changed our report writing process and format to make the whole experience better for all. Over the next couple of weeks, all parents will be issued a login and password for the UEducate site. This term you will be able to access your child’s report from this login and in the near future it will enable you to make meeting appointments, access the newsletter and get messages and school notes. We will keep you informed of these changes as they happen so there is a smooth transition from the current systems. School reports will be available to you on Monday the 20th of June, giving you the rest of the week to speak with teachers and myself about the reports if you require clarity or have any questions before the holidays.

THANKYOU

Barb Jones has decided to resign from her duties in the OOSH program after putting a great deal of effort and energy into this area of our school. Fortunately for us Barb will continue the wonderful volunteer work she does here at school. We thank Barb for the work she has done and continues with at Coldstream Primary School.

Thanks also to Jason Rouget who is now the Parents Club Hero after fixing the wheels on our BBQ!

Continued Page 5......
School Captain’s Report
Welcome back to week 7 hope you’re having a great term.
Last Friday we had the Regional Cross Country, the results were as follows:
9 boys    1st Jordan
10 boys   1st Jack, 6th Wyatt, 7th Tyson
10 girls  2nd Hayley, 4th Sarah
11 boys,  1st Cooper, 8th Brody, 9th Tyler
Everyone tried their best.
Thank you for parent club for holding the hotdog lunch we all loved it.
Years 4-6 had a great start for inter school sport last Friday.
Please remember that this Thursday is sausage sizzle and the 1/2s are to donate food. Friday 27th we have Seth Franco from the Harlem Globetrotters and 4-6 have interschool sport.
We hope you have a great week and remember to show respect in everything you do.
Your school captains Cooper and Nate.

Prep Enrolments Are Now Being Taken
**Responsible Pet Ownership:**
We learnt how to approach a dog & also what to do if we were approached by an angry dog.

1. Stand still
2. Hands down by your sides
3. Be as quiet as a mouse
4. Look at the ground

**Parent Club News**

- We hope all the Mums out there enjoyed their gifts from our **Mother’s Day Stall**. What a gorgeous selection we had this year.
- Thursday is **Sausage Sizzle Day**. Could 1/2SB and Foundation please supply for the cake stall. Once again we would appreciate some helpers from 1.15 for about 45 minutes to help out. Your kids really do love seeing you helping out.
- Coming up for Junes Special Lunch is **Dim Sims** on the 9th. Keep an eye out for a note coming home soon.
- The "**5 Cent Challenge**" is going fabulous. Even one grade is onto their 2nd tin. Amazing effort. This will be running through to the end of term 3 with the winning team to be announced first week back of term 4.
- We have booked a **Shopping Tour** through Melbourne Shopping Tours for Sunday 16th October. A great kid free day going to about 8 outlets. An Expression of Interest form will be coming home soon. Thank you for supporting us. **Parent Club**

**OOSH Happenings**
Thank you to Barb Jones who’s time at OOSH has sadly come to an end. Barb has put in so many hours both paid and voluntary to our program. The children will see her more often during school hours with her classroom involvement.
Welcome to our new OOSH families, we love to see the new faces joining our group.
Thank you also to Lynette Close for her donation of table tennis equipment and The Bresser family for the fruit for afternoon snacks.
**Bookings can now be made by emailing us at oosh@coldstreamps.vic.gov.au**
Just a reminder to all families to notify us if your child won’t be attending a session that has been booked to prevent us having to send out a “search party”.
Our puppet making activity is on hold temporarily until further notice.
There are several overdue accounts that need to be finalised ASAP to enable the smooth running of our program and our ability to accept your bookings.
Thank you from your OOSH Team, **Leanne, Kylie and Jo**
The Preps had an awesome Circus Skills session with Az. Look how good they are at plate spinning… Look at the concentration! Look out Cirque du Soleil.

Interschool Sport Report

Footy
On Friday the 13th of May some of the grade 4-6s played a very enjoyable game of football against the Wollombi Cluster of schools, which are 4 small schools put together into the one team. All of the players played a very talented game of footy; especially the girls who played their first game and all played their hearts out until the final whistle. Congratulations also to the grade 4s who played their very first game of interschool sports. On Monday at assembly there was an award given out to the most valuable player, who was Deacon for kicking 5 goals and showing great sportsmanship to the other team. Once again congratulations on a great game football players, and we will see you all this week at the home game against Wandin North. Please remember to bring your oranges!
Your football captains Nathan and Cooper

Netball
Hi I’m Noah and I was one of the Captains for netball.
On Friday the 13th we played against the Wollombi Cluster. In the first quarter we scored one goal and they scored six goals. In the second and the third quarter we scored four goals, in those two quarters they scored twelve. In the last one we scored one goal they scored 3 goals but it was a good game I think our MVP award goes to Jessica because she played an epic game and never stopped trying. Noah

Volley Stars
Hi I’m a volley star captain Brad
This week we played against the Wollombi Cluster, the scores were 2 games to 1, sadly we lost but everyone played well. Our M.V.P was fair to the opposition in all of the three games that we played this person was Natasha.
Everyone has improved from our training at lunch time and sport. Brad

From The Principal’s Desk (cont…)
GOAL SETTING MEETINGS
You may be asking yourself...“what happened to parent/teacher interviews”? On Tuesday July 19th we will be having Goal Setting Meetings which will include students, parents and teachers. At these meetings we will be discussing learning, social and personal goals that the children have developed with their teacher and that they hope to achieve before the end of the year. This will assist our students in monitoring and directing their own learning.
Kind regards, Lisa
Boral Connected Communities

Conservation Volunteers Australia (CVA) and Boral have partnered together since 1988 supporting conservation around Australia. The partnership has provided opportunities for many Boral employees and community members to help protect and enhance their local environment over this time. In 2015, Boral and CVA launched the Connected Communities Program providing on-ground assistance to communities in and around Boral locations.

Boral has been partnering with CVA for over 25 years and during that time we have been able to make a sustainable and valued contribution to many of the communities in which we operate, by assisting schools and communities educate and inspire young Australians to take action for the future of their environment.”

Michael Wilson, Group Health, Safety and Environment Director, Boral Limited

CVA has been working with schools for many years to help provide practical learning experiences in the environment for their students. CVA does this by supporting schools with supervised teams of volunteers which assists schools in or near school grounds. The Connected Communities Program engages schools and communities with their local environment. The schools receiving assistance through Boral are located across every state and territory. Local parks and reserves are also benefiting from the support of the Connected Communities Program.
