From The Principal’s Desk
I’d like to start with a big welcome to our school community to Lily Crosby who started in Mrs Monks’ class yesterday. We hope Lily and her family find our school a wonderful place to be.

I hope everyone picked up the mistake in the “Great Coldstream Spelling Bee” information sent home yesterday. Whilst it is essentially a typo rather than a spelling mistake, it was a bit unfortunate! More surprisingly the spell check didn’t pick it up either. Get your entries in by the end of this week to guarantee a place in the first round, likely to be next Wednesday.

Attached to today’s newsletter is the information relating to the second “Magical Mystery Tour”— reprised by popular demand (or should I say following a request from a couple of people!). It is a fun day and one in which it would be great to see as many as possible take part.

A reminder to all in our school community that next Tuesday is Melbourne Cup Day holiday. School will run as normal next Monday but, given we often have many students absent on that day, there will be no afternoon assembly next week.

Over the course of the year former student Liam Pickett has been at our school each Tuesday on a SEDA program placement. That placement finishes today. We have valued his assistance and hope he has learned much about a school day from the staff perspective. We also wish him well into the future for whatever career he chooses.

Unfortunately we have again recently had some vandalism in the form of bike riders who insist on deliberately skidding on the artificial grass, and often stopping to admire their work, and others who feel the need to play with water bombs in the same area leaving mess and stains. After a period of searching security vision, photos of suspects are now displayed on Miss Carter’s windows, facing the artificial grass. If you know any of them could you please let me know? We don’t need our forty thousand dollar asset marked by thoughtless people from outside the school.

I am continuing to work on plans for 2016, although one or two enrolments either way will make a significant difference in available funds, particularly in the proposed class structure. So if there is any doubt about your family being here in 2016 or if you know of someone planning to come here next year, please contact us asap, so that my planning can take this into account.

Have a gorgeous week.

School Captain’s Report

Hello everyone,
This is your school-captain Megan and your vice-captain Sam. We have had a great week so far and we are looking forward to the weeks to come. We know the junior school is looking forward to the teddy bear hospital and they are looking at the human body this term. They are also looking forward to learning about the digestive system. Also I’m sure most of the kids in our school are enjoying swimming. As for us grade 6s we are in full preparation for grad, and we are staying after school to practice our dance which is the waltz and jive on Wednesday. We hope you have a great rest of the week.
Your school and vice-captain, Megan and Sam.

The 2\textsuperscript{nd} Coldstream Magical Mystery Tour
(with apologies to the 1960’s!)

As mentioned in our newsletter the Magical Mystery Tour - a kind of cross between a Car Rally and an Amazing Race - is due to take place from 10 am on Sunday November 8th.

Less of a fundraising event than a social event, this will be a great opportunity for people to get together as families (or couples) and have some fun. Anyone (friends, extended family etc) is welcome to enter – all you will need is a car, a smartphone, a sense of humour and payment of the $10 per car entry fee.

The Tour should take around 2 hours to complete and will take in the sights of the Yarra Valley finishing at a secret destination, where participants are encouraged to bring a picnic/BBQ lunch (and blanket) to enjoy whilst results are tallied.

If you are game to take on the challenge of finding landmarks and answers to (un)important questions and collecting certain items along the way, this will be for you.

We will need around 15 entries to make the event worthwhile, so I ask that all entry forms be submitted by 5pm, Thursday 5\textsuperscript{th} November with payment. Any essential details (eg starting point and any additional information) will be sent by text to the nominated phone number on Friday evening. Entry forms can either be returned to school or submitted via email (payment expected on the day) – coldstream.ps@edumail.vic.gov.au

Looking forward to seeing as many of you as possible on Sunday week.

Peter Donaldson

Dear Peter,

I would like to enter a team in the Coldstream Magical Mystery Tour on Sunday November 8th. I enclose a $10 per car entry fee.

Team Name: __________________     Family Name: _____________________
Mobile Phone Number : _______________ Signature: __________________
Car Registration Number : __________________

Entries may also be submitted via email (with payment on the day) at coldstream.ps@edumail.vic.gov.au
