From The Principal’s Desk

We are all very excited to be invited to the official opening of the new skate park on Friday the 17th. It promises to be a fun afternoon with lots of things for the children to take part in and watch and a celebration of the opening and the contributions our students made to the planning of this community space. A letter will be coming home to outline our plans for the day as the event begins at 3pm and concludes at 5pm. We are wanting to walk the children to the park where they can be picked up by parents at 3.15. Keep your eyes peeled for the permission notice.

As you will be aware, written reports will be issued to families on the last Monday of this term. We are using the new UEducate website and over the next week will be sending home parent logins and passwords so you can access the reports and other important pieces of information. One great feature of this easy to use system will be that you can continue to print out copies of your child’s reports without having to go through the school.

It has been brought to my attention by several concerned Coldstream residents that children are riding their scooters in an unsafe manner on the roads in the estate and particularly in areas close to the park. Please note that scooters and skateboards, even though they are a lot of fun, are not intended or made for travelling on a road amongst traffic. My concern is that someone will get injured by a car, as almost happened in a near miss situation recently. Please talk with your children about this and help them think of better and safer alternatives.

As the days get colder, it is important that the children are rugged up to help them avoid illness. In the office, Janet is often inundated in the mornings by children wanting to borrow a jumper from lost property. Please ensure your child has warm clothing, appropriate shoes for wet weather and a coat.

We are pleased to announce that our school will, as of week 2 term 3, be hosting Bookaburra. This is a service run by the council and a band of enthusiastic volunteers that introduces stories to young pre-school aged children and helps to foster a love of literature. Details about the times of the Bookaburra story time, which will be held in our beautiful school library, will be sent home soon. Please pass on these details to any families in the area that you think may be interested in this child focussed social and educational program.

Congratulations to students who ran in the District Cross Country yesterday and put in their best effort. Cooper put in a huge effort to achieve 2nd place, resulting in him moving onto the next level. Special mention should be made of Sarah and Haley from Grade 4/5 who stopped their run to help a girl from another school who had fallen over. What a great demonstration of our school values!

I hope you all have a wonderful week.

Kindest regards, Lisa

Library Working Bee Update:
Thank you and well done to all the amazing parents & grandparents who came at short notice last week to help tidy up and give our library a makeover. We managed to do a lot and got most of the cleaning and re-arranging done, with just a few jobs left to do for a later time. We were thrilled with all the helping hands who generously offered their time and muscle to the project. The response from both staff and students has been very positive.
Well done also to the students who gave their help on the day in their recess and lunch breaks. It’s great to see students putting our school values of teamwork, responsibility and respect into practice and making the library feel more looked after and respected.
